June 28, 2011

On behalf of The Shiloh Community Development Corporation Capital City One Stop Career Center we would like to thank you for attending our Contractual Celebration on last Thursday June 23, 2011.

With generous people like you we were given the opportunity to achieve what many initially thought would be unachievable. We have proven that the members of our community are employable, and that is a priceless gift.

Thanks again on behalf of the staff of the Capital City One Stop Career Center.
